Keywords: Keywords regarding the work are stated in this section. Said section should contain maximum 5 words that are written with 10 font size and separated with semi-colon.

1. INTRODUCTION (Title Times New Roman, 12 font size, bold)

In conjunction with the EUROMAGH 2023 theme, papers of relevant topics within the conference theme are invited for oral/poster presentations. Authors are requested to submit an extended abstract not exceeding two (2) pages in English (1000-1500 words in length, excluding references).

The extended abstract must include the title, author(s) introduction, material and methods, main results, conclusion and references. The manuscript should be prepared on an A4-sized paper with 25 mm margins on all sides and typed with single spacing using size 12 Times New Roman font. Don't include illustrations inside of the main text.

2. MATERIALS AND METHODS

All materials and methods that have been used in the work must be stated clearly.

3. MAIN RESULTS

The findings and arguments of the work should be explicitly described without using illustrations.

4. CONCLUSION

Please conclude your work incorporating your most important finding as well as future works (3-4 lines).

5. MAIN REFERENCES

Total no. of references must not exceed 5. Resources that have been presented inside [] in the text with numbers should be listed according to their order in the text. References that have been presented in the references list should be prepared in a format according to the reference type shown below:

[1] Smith, T., Jones, M.: 'The title of the paper', Hum. Fact., 2017, 1, (8), pp. 1-7
